Domain Transfer out Request

Domain & Hosting Account Management

Transfer out Request

As per the owner of the below mentioned domain held by Softex Software House, please take the necessary steps to unlock the domain for transfer and cancel its management contract by Softex as it is not needed anymore.

Domain Name : _____

1. Please change the domain owner and administration details to be :

a. Owner Name : _____

b. Owner Address : _____

c. Owner Phone : _____

d. Owner Mobile : _____

e. Owner Fax : _____

f. Owner Email : _____

Important Note

I hereby confirms that the owner Email above will be used for all later actions till the transfer is done.

2. Please Change the domain status to be "Unlocked for transfer"

3. Please Send Domain Authorization Code to the above new owner Email.

Final Confirmation

I hereby understand that once these changes are done, the domain will be the total responsibility of the new owner and Softex shall not be responsible anymore for the above mentioned domain.

I hereby confirm that the domain is my own private ownership and I shall take full legal responsibility for my transfer out request against Egyptian and International Laws in case there is any dispute about the ownership of the domain past of the transfer date.
